## WE ARE SAYING GOODBYE

Before we close this chapter of the Biking for Angels Spin-a-thons, a big SHOUT OUT and THANK YOU goes to Springside Racquet & Fitness Club, for opening its doors this year and providing an additional opportunity for spinners to participate in this, **our last spin-a-thon fundraising event.**

A SHOUT OUT and THANK YOU also goes to the Cleveland Clinic Akron General LifeStyles, Bath who for the past 7 years hosted the Love an Angel Foundation's Biking for Angels Spin-a-thon and helped to make this event an exciting fundraiser.

While this year's event was down in participants, we are thankful for those who were able to participate. We appreciate the many sponsors of our shirts and our bikers through the years and are grateful for their generous donations. In addition, we thank those who volunteered their time to lead the 30 to 40 minute sessions—helping our spinners to “Put the Pedal to the Metal” Keeping in Motion for a Good Cause.

This year's spin-a-thon brought in a **grand total of \$14,075.00.**
